1998 Index, Volume 28

TOPICS

January—Update on Electroconvulsive Therapy (Beale)

February—Clinical Controversies in Treating Depression (Gabbard)

March—Treating the Anxious Person With an Addiction (Johnson & Longo)

April—Combination Pharmacotherapy Strategies for Clinical Practice (Nayak & Fein)

May—Aggression in the Workplace (Sperry & Larsen)

June—Stereotypic Movement Disorders (Stein & Christenson)

July—Critical Issues in Treating Chronic Mental Illness (Janicak)

August—The Neurobiology of Posttraumatic Stress Disorder (Southwick)

September—Update on Electroconvulsive Therapy, Part 2 (Beale)

October—Craving in the Addictions (Goldsmith)

November—Innovative Approaches to Treatment-Resistant Psychiatric Disorders (Tohen)

December—Diagnosis and Treatment of Addictive Disorders: New Developments and Strategies (Miller & Angres)
